

Foley Operations

About Foley

The Foley Plant is located in South Baldwin County. The surrounding suburbs offer the charms of small-town living, and the best Alabama and Florida beaches are a short drive away. The area boasts low crime rates, affordable property and relatively little traffic.

South Baldwin County provides access to a multitude of outdoor sports and activities with an abundance of beautiful weather to enjoy it all. There are plenty of opportunities for fishing, both freshwater and saltwater, as well as festivals and other community events.

Site Information

Production started in 1961.

Site Acreage: 39

Workforce: Approximately 115 employees and contractors

Safety and Environmental Certifications

OSHA VPP Star Site

RCMS® certified

ISO 9002

TS16949

The Foley plant produces high-quality PA66 Ultron® carpet fiber and Vydyne® nylon molding resin compounds for a broad base of customers.

Community

Ascend takes its responsibility to the communities in which we operate seriously. The people of Ascend have a deep sense of commitment to make a difference in the lives of others. This is visible through their individual efforts and through their participation in events and community leadership.

Employees at the site participate in food drives, wellness events and other events that support the community, such as:

- American Heart Association Platinum Fit Friendly Worksite
- Oyster Run for Charity
- YMCA Mud Run

In 2012, Ascend began an alliance with the Employer Support of Guard and Reserve (ESGR), a national organization that recognizes employers who provide proactive support to their employees who are members of any military Reserve or Guard units.

- Received Employer Support of Guard and Reserve (ESGR) Patriot Award, 2013
- Nominated for Secretary of Defense Employer Support Freedom Award, 2014
